

Synopsys to Host Webcast for Investors on September 25, 2014

MOUNTAIN VIEW, Calif., Sept. 18, 2014 /PRNewswire/ -- Synopsys, Inc. (Nasdaq: SNPS), a global leader providing software, IP and services used to accelerate innovation in chips and electronic systems, today announced it will host a webcast for investors on Thursday, Sept. 25, 2014. Aart de Geus, Synopsys chairman and co-CEO, and John Chilton, senior vice president and general manager of Coverity, will discuss Synopsys' new products and our recent entry into the software quality, testing, and security market.

The live webcast is scheduled for 12:00 p.m. to 1:00 p.m. ET (9:00 a.m. to 10:00 a.m. PT) and can be accessed via the Synopsys website, at <http://www.synopsys.com/Company/InvestorRelations/Pages/default.aspx>. Please go to the website at least 10 minutes prior to the start of the event to register and to install any necessary software. The webcast replay of the presentation can also be accessed through the Synopsys website, approximately 30 minutes following the conclusion of the live event.

About Synopsys

Synopsys, Inc. (Nasdaq:SNPS) accelerates innovation in the global electronics market. As a leader in electronic design automation (EDA) and semiconductor IP, its software, IP and services help engineers address their design, verification, system and manufacturing challenges. Since 1986, engineers around the world have been using Synopsys technology to design and create billions of chips and systems. Learn more at <http://www.synopsys.com>.
