Synopsys to Host Webcast for Investors on September 17, 2015

MOUNTAIN VIEW, Calif., Sept. 14, 2015 /PRNewswire/ -- Synopsys, Inc. (Nasdaq: SNPS), today announced it will host a webcast for investors on Thursday, Sept. 17, 2015. Aart de Geus, Synopsys chairman and co-CEO, Andreas Kuehlmann, senior vice president and general manager of the Software Integrity Group, and Dave DeMaria, vice president of corporate marketing, will provide an update on Synopsys' technology vision and new products, as well as give an operational update and discuss the go-forward strategy for Synopsys' new total available market - software quality and security.

The live webcast is scheduled for 11:45 a.m. to 1:00 p.m. ET (8:45 a.m. to 10:00 a.m. PT) and can be accessed via the Synopsys website, at http://www.synopsys.com/Company/InvestorRelations. Please go to the website at least 10 minutes prior to the start of the event to register. The webcast replay of the presentation can also be accessed through the Synopsys website, approximately 30 minutes following the conclusion of the live event.

About Synopsys

Synopsys, Inc. (Nasdaq: SNPS) is the Silicon to Software™ partner for innovative companies developing the electronic products and software applications we rely on every day. As the world's 16th largest software company, Synopsys has a long history of being a global leader in electronic design automation (EDA) and semiconductor IP, and is also growing its leadership in software quality and security solutions. Whether you're a system-on-chip (SoC) designer creating advanced semiconductors, or a software developer writing applications that require the highest quality and security, Synopsys has the solutions needed to deliver innovative, high-quality, secure products.
