MEDIA ALERT: Synopsys to Host 8th Annual CodenomiCON USA and Showcase Software Integrity Platform at Black Hat USA 2016

MOUNTAIN VIEW, Calif., July 26, 2016 /PRNewswire/ -- Synopsys, Inc. (Nasdaq: SNPS) today announced it will host the 8th annual CodenomiCON USA and showcase its Software Integrity Platform at Black HatUSA 2016. CodenomiCON is an exclusive cybersecurity thought leadership and networking event organized by Synopsys during Black Hat USA, one of the largest and most distinguished information security conferences in the world.

CodenomiCON brings together some of the brightest minds in cybersecurity the evening before the Black Hat Business Hall commences to network, discuss the evolving threat landscape, and explore proactive solutions to secure our connected world. CodenomiCON features presentations and panel discussions from renowned security researchers like Dr. Charlie Miller, Chris Valasek and Billy Rios, as well as thought leaders and practitioners from the public and private sectors.

WHEN AND WHERE:

CodenomiCON USA 2016 will take place at the House of Blues at Mandalay Bay Resort and Casino, Las Vegas, on Tuesday, August 2 from 5:00 p.m. to 10:00 p.m. Synopsys will be showcasing its Software Integrity Platform and delivering presentations at booth #960 in the Black Hat Business Hall on Wednesday, August 3 and Thursday, August 4.

CODENOMICON AGENDA:

- Doors open for networking and cocktail reception 5:00 p.m.
- Welcome to CodenomiCON – Opening Remarks, 5:30 p.m. – 5:50 p.m.
- Fireside Chat with Dr. Fred Cohen and Luke Dembosky, 5:55 p.m. – 6:25 p.m.
- "The Digital Doctors Are In – Are You Covered?" medical device security panel, 6:30 p.m. – 7:10 p.m.
- "The Comedic Stylings of Dr. Kevin Fu" stand-up comedy routine, 7:15 p.m. – 7:30 p.m.
- "Mitigating Software Supply Chain Risks – Gaining Trust of Software in Cyber Assets" panel, 7:40 p.m. – 8:20 p.m.
- "Automotive Cybersecurity - An Industry Taking a Leadership Role" panel, 8:30 p.m. – 9:05 p.m.
- "A Gathering of Security Research Superstars" panel, 9:10 p.m. – 9:50 p.m.

Complimentary food and drinks will be served throughout the evening. Space is limited and registration is required. About the Synopsys Software Integrity Platform

Through its Software Integrity Platform, Synopsys provides advanced solutions for improving software quality and security. This comprehensive platform of automated analysis and testing technologies integrates seamlessly into the software development process and enables organizations to detect and remediate quality defects, security vulnerabilities and compliance issues early in the software development lifecycle, as well as to gain security assurance with and visibility into their software supply chain.

About Synopsys

Synopsys, Inc. (Nasdaq:SNPS) is the Silicon to Software™ partner for innovative companies developing the electronic products and software applications we rely on every day. As the world's 15th largest software company, Synopsys has a long history of being a global leader in electronic design automation (EDA) and semiconductor IP and is also growing its leadership in software quality and security solutions. Whether you're a system-on-chip (SoC) designer creating advanced semiconductors, or a software developer writing applications that require the highest quality and security, Synopsys has the solutions needed to deliver innovative, high-quality, secure products.
