Synopsys Initiates $100 Million Accelerated Share Repurchase Agreement

MOUNTAIN VIEW, Calif., May 26, 2017 /PRNewswire/ -- Synopsys, Inc. (Nasdaq: SNPS) today announced that it has entered into an accelerated share repurchase agreement (ASR) with JPMorgan Chase Bank, National Association, to repurchase an aggregate of $100 million of Synopsys stock. The agreement is in addition to Synopsys' two previous $100 million ASRs in 2017 that were settled on May 17, 2017 and February 16, 2017.

Under the terms of the ASR, Synopsys will receive an aggregate initial share delivery of approximately 1.09 million shares, with the remainder, if any, to be settled on or before August 15, 2017, upon completion of the repurchase. The specific number of shares that Synopsys ultimately repurchases under the ASR will be based on Synopsys' volume-weighted average share price during the repurchase period, less a discount.

About Synopsys
Synopsys, Inc. (Nasdaq: SNPS) is the Silicon to Software™ partner for innovative companies developing the electronic products and software applications we rely on every day. As the world's 15th largest software company, Synopsys has a long history of being a global leader in electronic design automation (EDA) and semiconductor IP and is also growing its leadership in software security and quality solutions. Whether you're a system-on-chip (SoC) designer creating advanced semiconductors, or a software developer writing applications that require the highest security and quality, Synopsys has the solutions needed to deliver innovative, high-quality, secure products. Safe Harbor for Forward-Looking Statements
This press release contains forward-looking statements, including statements regarding the expected settlement of the ASR. Forward-looking statements are subject to both known and unknown risks and uncertainties that may cause actual results to differ materially from those expressed or implied in the forward-looking statements. These risks and uncertainties include, among others: the market price of Synopsys common stock during the repurchase period; the ability of JPMorgan Chase Bank, National Association, to buy or borrow shares of Synopsys common stock; and the impact of global and regional economic and market conditions, including illiquidity and other risks of instability in the banking and financial services industry. Other risks and uncertainties that may apply are set forth in the Risk Factors section of Synopsys' most recently filed Quarterly Report on Form 10-Q. Synopsys assumes no obligation to update any forward-looking statement contained in this press release.
