

# Synopsys Holds 2026 Investor Day

Sept. 30, 2026

**What's New:** Synopsys is hosting its 2026 Investor Day in New York City today. Management will outline the company's long-term financial targets and strategy to capitalize on its significant opportunity as the leader in engineering solutions from silicon to systems. Presentations begin at 1 p.m. EST (10 a.m. PST) and will be webcast live on the Synopsys Investor Relations website, with a replay available afterward. Follow along here for the latest Investor Day announcements.
