Synopsys Chief Financial Officer to Speak at the Credit Suisse First Boston Annual Technology Conference on December 2, 2004

Synopsys, Inc. (NASDAQ: SNPS), a world leader in semiconductor design software, announces that Steve Shevick, CFO & senior VP, will speak at the Credit Suisse First Boston Annual Technology Conference in Scottsdale, Arizona.

This event will be broadcast live on the Internet via the Synopsys corporate website at https://www.synopsys.com/corporate/invest/invest.html on Thursday, December 2, 2004 at 10:00 a.m. MST (9:00 a.m. PST). To access the live webcast presentation, please go to the website at least 5 minutes early to register and to download and install any necessary audio software. The webcast replay of the presentation can be accessed at the Synopsys corporate website approximately 24 hours following the conclusion of the live event.

About Synopsys

Synopsys, Inc. is a world leader in electronic design automation (EDA) software for semiconductor design. The company delivers technology-leading semiconductor design and verification platforms and IC manufacturing software products to the global electronics market, enabling the development and production of complex systems-on-chips (SoCs). Synopsys also provides intellectual property and design services to simplify the design process and accelerate time-to-market for its customers. Synopsys is headquartered in Mountain View, California and has offices in more than 60 locations throughout North America, Europe, Japan and Asia. Visit Synopsys online at https://www.synopsys.com/ .
