

Synopsys Senior Vice President to Speak at the Merrill Lynch IT Services and Software CEO Conference on February 1, 2006

Synopsys, Inc. (NASDAQ: SNPS), a world leader in semiconductor design software, today announced that John Chilton, senior vice president of Synopsys' Solutions Group, will speak at the Merrill Lynch IT Services and Software Conference in Las Vegas, Nevada on February 1, 2006.

This event will be broadcast live on the Internet via the Synopsys corporate website at <https://www.synopsys.com/corporate/invest/invest.html> on Wednesday, February 1, 2006 at 8:45 and 9:40 a.m. PT (11:45 a.m. and 12:40 p.m. ET). To access the live webcast presentation, please go to the website at least 10 minutes early to register and to download and install any necessary audio software. The webcast replay of the presentation can be accessed at the Synopsys corporate website approximately within 24 hours following the conclusion of the live event.

About Synopsys

Synopsys, Inc. is a world leader in electronic design automation (EDA) software for semiconductor design. The company delivers technology-leading semiconductor design and verification platforms and IC manufacturing software products to the global electronics market, enabling the development and production of complex systems-on-chips (SoCs). Synopsys also provides intellectual property and design services to simplify the design process and accelerate time-to-market for its customers. Synopsys is headquartered in Mountain View, California and has offices in more than 60 locations throughout North America, Europe, Japan and Asia. Visit Synopsys online at <https://www.synopsys.com/>.
