

Synopsys Chairman and Chief Executive Officer to Speak at Credit Suisse First Boston Global Software Conference on September 8, 2004

Synopsys, Inc. (NASDAQ: SNPS), the world leader in semiconductor design software, announces that Chairman and Chief Executive Officer Aart de Geus will speak at the Credit Suisse First Boston Global Software Conference in New York.

This event will be broadcast live on the Internet via the Synopsys corporate website at <https://www.synopsys.com/corporate/invest/invest.html> on Wednesday, September 8, 2004 at 10:15 a.m. EDT (7:15 a.m. PDT). To access the live webcast presentation, please go to the website at least 10 minutes early to register and to download and install any necessary audio software. The webcast replay of the presentation can be accessed at the Synopsys corporate website within 24 hours following the conclusion of the live event.

About Synopsys

Synopsys, Inc. is the world leader in electronic design automation (EDA) software for semiconductor design. The company delivers technology-leading semiconductor design and verification platforms to the global electronics market, enabling the development of complex systems-on-chips (SoCs). Synopsys also provides intellectual property and design consulting services to simplify the design process and accelerate time-to-market for its customers. Synopsys is headquartered in Mountain View, California and has offices in more than 60 locations throughout North America, Europe, Japan and Asia. Visit Synopsys online at <https://www.synopsys.com/>.
