Synopsys CEO Aart de Geus to Speak at Morgan Stanley Technology, Media and Telecom Conference

MOUNTAIN VIEW, Calif., Feb. 23, 2012 /PRNewswire/ -- Synopsys, Inc. (Nasdaq: SNPS), a world leader in software and IP used in the design, verification and manufacture of electronic components and systems, today announced that Aart de Geus, Chairman and CEO, will speak at the Morgan Stanley Technology, Media and Telecom Conference on February 28, 2012.

This event will be broadcast live on the Internet via the Synopsys corporate website at https://www.synopsys.com/Company/InvestorRelations on Tuesday, February 28, 2012 at 1:00 p.m. PT (4:00 p.m. ET). To access the live webcast presentation, please go to the website at least ten minutes early to register and to download and install any necessary multimedia software. The webcast replay of the presentation will be available at the Synopsys corporate website approximately one hour following the conclusion of the live event, and remain available for 90 days.

About Synopsys
Synopsys, Inc. (Nasdaq: SNPS) is a world leader in electronic design automation (EDA), supplying the global electronics market with the software, intellectual property (IP) and services used in semiconductor design, verification and manufacturing. Synopsys' comprehensive, integrated portfolio of implementation, verification, IP, manufacturing and field-programmable gate array (FPGA) solutions helps address the key challenges designers and manufacturers face today, such as power and yield management, system-to-silicon verification and time-to-results. These technology-leading solutions help give Synopsys customers a competitive edge in bringing the best products to market quickly while reducing costs and schedule risk. Synopsys is headquartered in Mountain View, California, and has more than 70 offices located throughout North America, Europe, Japan, Asia and India. Visit Synopsys online at https://www.synopsys.com/.
